

## SPECIFICATIONS

### BOX

Cabinets are constructed of 20 gauge cold rolled steel; 20 gauge tubular steel door with 18 gauge frame and a continuous steel hinge. All components are powder coated with an electrostatically applied, thermally fused, recoatable white polyester finish.

### DOOR AND FRAME

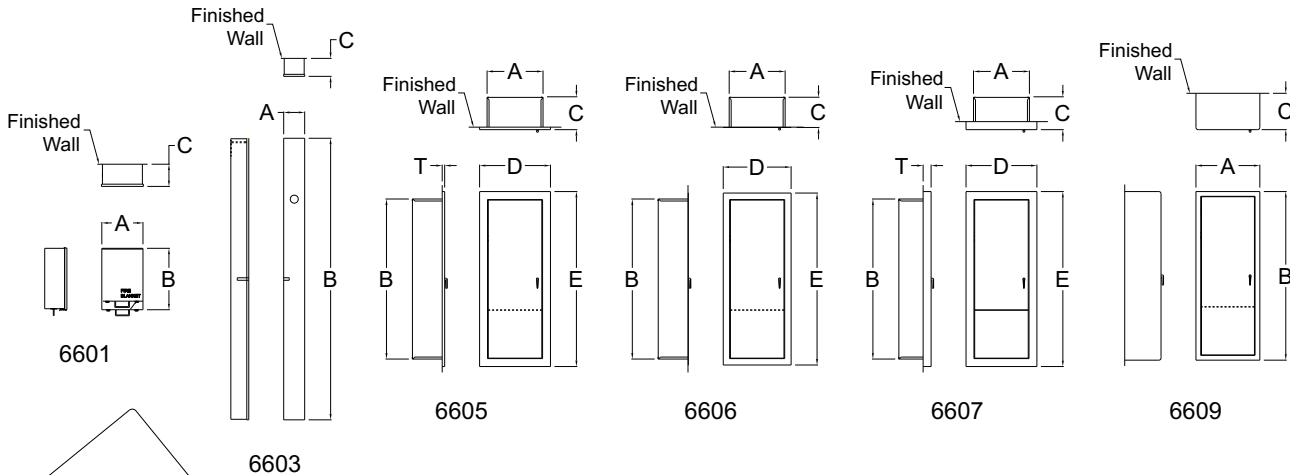

**Steel** - Cold rolled steel, recoatable white polyester finish  
**Aluminum** - Satin finish, clear polyester coated  
**Stainless Steel** - T304 Stainless Steel with #4 satin finish

All styles of cabinets are equipped with a woven fire-blanket treated with fire-resistant chemicals.
