EcoTread™ Stair Nosing

The industry's only sustainable safety treads.

- Made from 90% recycled rubber
- Easily replaceable
- 100% recyclable materials
- Easy to clean and maintain
- Fade and wear resistant
- 4 color choices

Specialty Building + Access Products

Since 1909, Babcock-Davis has manufactured access hatches, roof hatches, and smoke vents. Today we provide a wide range of floor, roof and safety related access products that are available through roofing and construction supply distributors.

ROOF HATCHES

07 7200

Provides safe access to roof areas on buildings. Available with fall protection and a variety of materials and finishes.

- **ThermalMAX™**
- **Personnel™**
- **Thermally Broken**
- **Daylighting**
- **Security**
- **Equipment**
- **Fall Protection**

Division 7

SMOKE VENTS

07 7200

Our rooftop smoke vents are designed to meet all fire and life safety building codes. As required by IBC, these vents automatically open to release heat, smoke, and noxious fumes in the event of an emergency.

- **SafeMax™**
- **SunLit™**
- **AcousticMAX™**
- **Fall Protection**

Division 7

FALL PROTECTION

05 5213 / 07 7200

Keep people safe while working on rooftop and other structures with the OSHA compliant systems.

- **Safety Railings**
- **Guardrails**
- **Safety Accessories**
