

Concealed

DROP IN ACCESS DOOR

Designed for ceiling applications, the Concealed Drop-In panel provides a seamless, aesthetically pleasing alternative to a traditional steel access door. Finish ready for paint or texture, this access door helps keep the attention where it belongs...on your space.

FEATURES

REDUCED LABOR COSTS Lightweight reinforced gypsum panel allows for single trade installation.

CORNER OPTIONS Standard and custom sizes available in circular, radius and square profiles.

ECO FRIENDLY These panels contain a 70% post-consumer recycled glass content for a truly GREEN product.
