

Lume-A-Lite™

FLOOR ID SIGN

Lume-A-Lite Floor ID Signs are custom made for your building. These signs are made of the same photoluminescent material as the running man signs. The stair letters are at least 1-1/2 inches tall and the number designating the floor level is a minimum of 5 inches in height and is in braille immediately below. Other letters and numbers are at least 1 inch in height, as required per Section 1023.9.1.

Lume-A-Lite™

NOT AN EXIT SIGN

The Lume-A-Lite Not an Exit Sign is designed to mark doors in an egress stairway that are not an exit door. These signs are constructed with a photoluminescent vinyl that collects and stores ambient light and glows during a blackout or smoky conditions.
